- 060-25. Councilor Beauchemin, to remove parking meter bags on Grove Street. Cars are utilizing parking spots for the entire day.
- 067-25. Residents of Park St., to petition concerns that Midnight Auto Repair shop is taking over Park St. leaving the residents with "No Parking".
- 095-25. City Councilor Bernie Schultz, in conjunction with Fire Chief Dante Suarez and Director of Public Health Steve Curry, to address public safety issues at 240 Water Street, the former St. Bernard's Church. The church spire is no longer straight up and down and presents a falling danger. In addition, homeless people frequently have broken into the church buildings and present an ongoing fire hazard for the city. A more permanent securing of the buildings at this address is necessary.
