In order for both band/choir students and audience members to have the best concert experience possible, we ask that all audience members adhere to the following guidelines:

Please do not loiter in the hallway area during performances.

—
If you must leave your seat for any reason, please wait until breaks in music during audience applause to do so.

—
If you are out of your seat when music begins, please wait until breaks in music during audience applause to return to your seat.

—
Please refrain from talking or making noise during performances and announcements.

—
Please silence all electronic devices.

—
Please refrain from posting videos of performances on YouTube. Doing so risks the band being charged with copyright infringement and penalized with a hefty fine.

Para que tanto los estudiantes de la banda/el coro como los miembros de la audiencia tengan la mejor experiencia de concierto posible, pedimos que todos los miembros de la audiencia se adhieran a las siguientes pautas:

No deambule por el área del pasillo durante las presentaciones.

—
Si debe abandonar su asiento por cualquier motivo, espere hasta que comience la música durante los aplausos del público para hacerlo.

—
Si está fuera de su asiento cuando comienza la música, espere hasta que la música entre en pausa durante los aplausos de la audiencia para volver a su asiento.

—
Absténgase de hablar o hacer ruido durante las presentaciones y los anuncios.

—
Silencie todos los dispositivos electrónicos.

—
Absténgase de publicar videos de actuaciones en YouTube. Si lo hace, corre el riesgo de que la banda sea acusada de infracción de derechos de autor y sancionada con una multa considerable.
