New Business:

- A. Briefing on Recent Emergency Events – Emergency Manager, Lee Cornwell briefed Council on the recent emergency events that have occurred in the City starting with the explosion at Larkin Chase in June and the back to back storms in July which one had an EF1 tornado touch down in the “B” section of the City.
- B. Adoption of Resolution R-50-22 Amending Resolution R-16-01 “Rules and Regulations of City Boards, Commissions, and Committees” – Councilmember Estève asked that the requirement to have Council interview applicants be put back into the resolution. Staff will revise resolution and present at next meeting for adoption.
- E. Police Department Update – Chief Nesky briefed Council on department stats from the previous six months. Staffing is down by 15 officers, it is becoming very difficult to keep/hire officers. Speed camera trials are underway in several neighborhoods and traffic safety data is being collected to better implement and assist with selective enforcement.
